DEBTOR'S MOTION FOR SALE OF PROPERTY FREE AND CLEAR OF LIENS

COMES NOW the Debtor, Pitt Electric Incorporated, ("Debtors"), by and through their counsel of record, and move the court to approve a sale of certain property of the above-referenced estate free and clear of the liens as recited herein. 2. Pitt Electric is a North Carolina corporation with its principal place of business in Greenville, Pitt County, North Carolina, and filed its petition under Chapter 11 of the Bankruptcy Code on April 8, 2015. It has remained a Debtor-in-Possession since the filing of the bankruptcy petition.

3. By way of a Motion for Approval if Private Sale of Assets and Assignment of Executory Contracts (the "Sale Motion"), the Debtor proposes to sell by private sale the following property (the "Property"):

a. any and all tangible personal property used in connection with the operation of the Business wherever located, including, without limitation, equipment, furniture, inventory, fixtures, materials, tools, supplies and vehicles;

- b. any and all accounts receivable in existence on the Closing Date (as defined in the Agreement) for work that has been completed, either totally or partially, as of the Closing Date;
- c. all rights and obligations under contracts for the provision of goods, services, and other non-cash benefits by Seller to third parties as may be designated by Buyer prior to the Closing (as hereinafter defined), if any; and all rights and obligations under contracts for the receipt of goods, services, and other non-cash benefits by Seller from third parties as may be designated by Buyer prior to the Closing, if any;
- d. all rights under any leases Buyer desires to assume;
- e. to the extent assignable, all computer software, including all documentation and source codes with respect to such software used in connection with the Debtor;

- g. to the extent assignable, all (1) client lists, client records, and client information, marketing materials, promotional and business development information, and related materials, in whatever form retained; (2) books and records related to the Transferred Assets, including, without limitation, inventory, maintenance, and asset history records; and (3) all other books, records, files, data, manuals, training materials, work papers, and other documents and information, including, without limitation, electronic versions of the foregoing, used in connection with the operation of the Debtor's business;
- h. all rights to the name "Pitt Electric" along with any derivations thereof, and any trade names and variations thereof;
- i. all (1) intellectual property, including, without limitation, all common law and registered trademarks, copyrights, patents, and licenses related to the Debtor's business; (2) applications for patents and for registration of trademarks, service marks, and copyrights related to the Debtor's business; (3) trade secrets related to the Business; and (4) other items of proprietary know-how and other intangible property related to the Debtor's business;
- j. all telephone numbers, websites, e-mail addresses, and domain registrations used in connection with the operation of the Debtor's business;

m. all work in process related to the Debtor's business; and

n. all goodwill related to the Debtor's business.

4. The Property comprises essentially all of the assets of the bankruptcy estate, and the Debtor believes that in the aggregate, the Property possesses a fair market value of approximately \$2,000,000.

5. By way of the Sale Motion, the Debtor is seeking court approval of a sale of the Property to Oak Ridge Metal Works, LLC.

6. By way of this Motion, the Debtor proposes to sell the Property free and clear of all claim, liens and encumbrances of record, including claims of successor liability.

7. The Debtors believe the Property can be converted to cash for the benefit to creditors of the Debtors' estate.

8. The Debtors ask that they be authorized to sell the Property free and clear of any claims and liens of record, including any liens, security interests and claims asserted against the Property by the following:

A. Any and all personal property taxes due and owing to any City, County or municipal corporation, and more particularly, to the Pitt County Tax Collector or any other municipal and local tax collector.

B. Any and all liens and security interests asserted in the Property by Yadkin Bank, as the successor by merger to VantageSouth Bank (the successor by merger with The East Carolina Bank), which asserts a single secured claim (the "Loan") against the Debtor in the alleged principal amount of \$842,541.21. Upon information and belief, Yadkin's Loan originated as a secured line of credit, and

is reflected by certain documentation, including certain UCC-1 Financing Statements filed with the North Carolina Secretary of State, pursuant to which Yadkin asserts a first-priority lien and security interest in the Debtor's equipment, inventory, accounts, proceeds and other personal property.

- C. Any and all liens and security interests asserted in the Property by Select Bank ("Select"), as the successor-in-interest to New Century Bank, in connection with that certain 40 KW solar array owned by the Debtor and installed on premises in which the Debtor operates.
- D. Any and all liens and security interests asserted by Womack Electrical Supply in the Debtor's titled vehicles.
- E. Any and all liens and security interests asserted by Branch Banking & Trust Company in that certain 2012 Chevrolet Silverado pickup truck.
- F. Any and all remaining interests, liens, encumbrances, rights and claims asserted against the Property, which relate to or arise as a result of a sale of the Property, or which may be asserted against the buyer of the Property, including, but not limited to, those liens and claims, whether fixed and liquidated or contingent and unliquidated, that have or may be asserted against the Property by the North Carolina Department of Revenue, the Internal Revenue Service, and any and all other taxing and government authorities.

9. The liquidation of the above-described property can be facilitated by a sale free and clear of the alleged liens as set forth above with the rights of the lien creditors being transferred to the proceeds of the sale as determined and marshalled by the court.

10. The Debtor intends to sell the Property with the purported liens of the above-named lien creditors transferring to the proceeds of the sale in their respective priorities. The process shall be subject to the reasonable, necessary costs and expenses of preserving and disposing of such property to the extent of any benefit to the holders of such claim pursuant to 11 U.S.C. § 506(c), in addition to the terms and conditions of the purchase contract between the Debtor and any purchaser of the subject property.

11. If any creditor claiming a lien on the above-described property does not object within the time allowed, then that creditor shall be deemed to have consented to the sale of the property free and clear of that creditor's interest.

WHEREFORE, the Debtor prays for the court to grant the following relief:

1. To allow the sale of the Property described herein free and clear of the purported liens claimed by the creditors named herein pursuant to the provisions of 11 U.S.C. § 363;
2. To provide for the purported liens of the creditors named herein to attach to the proceeds of the sale in their respective priorities;
3. To allow, after proper application, the reasonable, necessary costs and expenses of preserving such property to the extent of any benefit to the holders of such claims pursuant to 11 U.S.C. § 506(c); and
4. For such other and further relief as the court may deem just and proper.
